Dear Vijay,

Re: “Greenlight” Status – Rentadirector

I am pleased to write to you to confirm that following our review your project has received “Greenlight” status from UK Trade & Investment’s Global Entrepreneur Programme as a “Technology of Exceptional potential.”

The team will now engage to assist in introductions of finance and support to help establish the company in the United Kingdom.

Please note that this information can be used in your materials and publications however, we would like to approve any form of words used in public-facing documents.

We would be grateful if you would kindly confirm in writing by return, that should we be successful in introducing the resources and funding your project requires, you will be establishing your Headquarters and principal operations in the United Kingdom.

We would like to take this opportunity of congratulating you on achieving this status and look forward to working with you to achieve success for the project.

Yours sincerely,

Alpesh B. Patel
